MONTANA

STOCK GROWERS' ASSOCIATION.

SECRETARY AND TREASURER'S OFFICE.

Helena, Mont., April 21st, 1886.

In presenting this, the first Brand Book published by the Association for the use and benefit of all persons interested, I beg leave to state that great pains have been taken in its preparation. Printers' proofs have been sent to the members of the Association for correction, and all corrections so noted have been followed to the printers' hands. In addition to this I submitted a complete printers' proof of the book at the Spring Meeting of the Association held in Miles City, commencing April 19th, for examination and correction, and made every change desired. Notwithstanding all this care, some errors are liable to occur. Where errors appear it is hoped corrections will be promptly reported, in order that the edition for 1887 may be entirely correct. It is hoped that this book will prove of great value to, and meet the entire approbation of, the members of the Association, and of service to the public generally.

R. B. HARRISON,

Secretary and Treasurer.

BY-LAWS

OF THE

Montana Stock Growers' Association.

Adopted April 3, 1885.

SECTION 1. This Association shall be known as the MONTANA STOCK GROWERS' ASSOCIATION.

SEC. 2. The object of this Association is to advance the interests of the stock growers in Montana and adjoining Territories, and for the protection of the same against frauds and swindlers, and to prevent the stealing, taking and driving away of cattle, horses, mules and asses from the rightful owners thereof, and to enforce the Stock Laws of Montana Territory.

ELECTION OF OFFICERS.

SEC. 3. The affairs of this Association shall be conducted and managed by a President, First Vice-President, a Second Vice-President, a Secretary and Treasurer combined, and an Executive Committee. The Executive Committee shall consist of one member each for Beaverhead, Deer Lodge, Gallatin, Jefferson, Madison, Missoula and Silver Bow counties; two members each for Dawson and Yellowstone counties; three members each for Choteau, Lewis & Clarke and Meagher counties; five members for Custer county and three members for Dakota Territory. Seven members shall constitute a quorum. All regular officers of the Association shall be ex-officio members of this Committee. These officers and the above-named Committee shall be elected on the first day of the semi-annual meeting in April of each year, and shall serve until the spring meeting following their election, or until their successors have been elected. Written proxies, approved as genuine by the Executive Committee and made within sixty days, may be voted at elections.

The Executive Committee is empowered to fill any vacancies that may occur, by death or otherwise, in their own body or among the officers of this Association, and the person so appointed shall hold office until the next regular election.

DUTY OF OFFICERS.

SEC. 4. The President shall preside at all meetings of the Association. He shall see that all the By-laws, resolutions and regulations thereof are faithfully executed, and perform such other duties as may be required of him in these By-laws, as well as such as may be necessary to secure the objects and best interests of this Association not herein otherwise provided for.

SEC. 5. The First Vice-President, in the absence of the President, shall perform the duties of the latter, and if he shall be absent, the Second Vice-President shall act, and if both be absent at any meeting, a President *pro tem.* may be elected.

SEC. 6. The Secretary-Treasurer shall keep accurate minutes of the transactions of this Association. He shall keep a roll of members and a correct account of all moneys received. He shall write and send all communications for the Association and such as he may be directed to write and send by the Association or Executive Committee. He shall pay all bills when directed by the Executive Committee, and he shall make a full report of all the transactions of his office at each semi-annual session, and at such other times as the Association may direct, producing therewith vouchers for all moneys paid out. He shall deliver to his successor all books, papers, moneys and other property in his possession belonging to the Association, and perform such other duties as may be required by these By-laws, resolutions and regulations, or by the Association. He is authorized to employ such assistance as he may deem necessary at a reasonable rate of compensation. He shall keep a record of the brands and such other information concerning the members, stock, range, etc., as may be furnished him by the members. He shall give bond to the Association in such sum and with such sureties as may be required by the Executive Committee, conditioned that he will faithfully perform all acts and things required of him in this section, and he shall receive such compensation as the Executive Committee may determine.

SEC. 7. The Executive Committee shall meet immediately after their election and at such other times as they may be called together by the President. The President or Vice-President shall preside at all meetings. The Secretary-Treasurer shall act as secretary of the Committee. The Committee

shall have entire control of the employes and all the business of the Association during its adjournment. It shall audit all accounts and order the Secretary-Treasurer to pay all bills. They shall represent the Association before the Territorial Board of Stock Commissioners, Boards of County Commissioners and the Legislature, and in other similar positions, during adjournments of the Association. At each annual spring meeting this Committee shall make a report to the Association in regard to matters requiring their attention, and shall recommend such measures as they deem necessary. Each member shall report at the meeting of the Committee such matters as require attention in his locality, and shall look after and give attention to the interests of the Association for the county he represents.

SEC. 8. The annual meeting of this Association shall be held on the third Tuesday in April, at 10 o'clock A. M., in Miles City, Montana, at such place as the Executive Committee shall determine, due notice thereof being given. The fall meeting of the Association shall be held each year on the third Tuesday in August, at Helena, Montana, at 10 o'clock A. M., at such place as the Executive Committee shall determine, due notice thereof being given. Special meetings may be called at any time by the President, or in his absence by either of the Vice-Presidents, and shall be called whenever requested by seven members. Twenty-five members shall constitute a quorum for business at all meetings. The call for a special meeting shall state the object and place of such meeting, and no other business shall be transacted at such meeting.

ORDER OF BUSINESS AT MEETINGS.

1. Calling the roll.
2. Reading minutes of last meeting.
3. Election of new members.
4. Unfinished business.
5. Report of officers.
6. Election of officers.
7. Election of Executive Committee.
8. General business.
9. Adjournment.

MEMBERSHIP.

SEC. 9. No person shall be a member of this Association except a stock grower, as defined by the following, viz. : A person owning or controlling cattle, horses, mules or asses and engaged in the business of breeding, growing and raising the same for profit. To become a member of this Association all persons must be proposed by a member, each proposition

shall be accompanied by the fee of admission hereinafter specified, together with a statement of the number of cattle, horses, mules and asses owned or controlled by such person or his firm or company, with all the brands and marks of such stock; also the names of the individuals comprising his firm or names of all the officers, if a company, and the postoffice address of each, and his application shall be referred to a Committee on Membership, consisting of three members of the Executive Committee and the Secretary and Treasurer of the Association, who shall examine said application, and if they deem the applicant a proper person, the Secretary shall so notify him and place his name upon the list of members. All persons admitted as members bind themselves and their employes to the observance of all By-laws, resolutions and regulations of the Association that are now in force, or that may hereafter be adopted, on a penalty of forfeiture of membership. Memberships must be personal.

SEC. 10. The admission fee shall be fifteen (\$15) dollars, payable at time of election, and no one shall become a member without such payment. The annual dues shall be ten (\$10) dollars, payable at the April meeting of each year. Provided, however, that no annual dues shall be collected for the Association year in which the member is elected. Any member failing to pay his dues on or before the next spring meeting, when the same become due, shall cease to be a member until such payment has been made. Any member who shall be in arrears for more than one year for dues or assessments shall be dropped from the roll of members. All members shall be subject, not oftener than once per annum, to an assessment not exceeding one cent a head on seventy per cent. of all cattle, horses, mules and asses, of which each person may at that time be the owner, and no resignation shall be accepted until all dues and assessments are paid. This assessment may be levied in the discretion of the Executive Committee, and shall be payable when called for. Failure to pay on or before the next semi-annual meeting following date of such assessment shall work a forfeiture of membership. The fund so assessed shall be collected by the Secretary and Treasurer, and shall become a part of the common fund of the Association, subject to the same regulations as before provided.

SEC. 11. Any member who shall divulge the proceedings of or action taken in any meeting of the Association to any person or persons, or do any act calculated to, or that may injure or defeat any proceedings or action of this Association or officers thereof, that may be instituted for the purpose of

its protection or that of any of its members under the laws of this Territory or of these By-laws, resolutions and regulations, or that may be subversive of the interests generally of the Association, shall have a fair and impartial hearing at a special meeting called for that purpose, or at a semi-annual meeting, and if found guilty by a majority of the members present, shall be expelled.

SEC. 12. Any member of this Association who shall be expelled therefrom as aforesaid, shall not again be received as a member thereof, and stock growers generally shall be notified of such expulsion.

SEC. 13. Whenever it shall come to the knowledge of any member of this Association, that any person or persons are engaged in stealing or killing stock of any kind, he shall immediately notify the Executive Committee of the Association, who are hereby empowered to act in such manner as will, if possible, bring such person or persons to justice, and recover said property.

SEC. 14. These By-laws, regulations and resolutions shall not be annulled or amended except at a semi-annual meeting, and then only by a vote of two-thirds of the members present.

RESOLUTIONS.

1. That the members of each "round-up district" shall meet and elect a time and place for commencing work in their respective districts ; also name a suitable man for Captain of Round up in their said districts, and report the same to the semi-annual meetings of this Association, and the same shall be published as a part of the proceedings of this Association.

2. That in order to obtain greater efficiency in round-ups, we hereby agree to place our men under the orders of the foremen of the round-up they may be attached to, so long as they may remain with it, and in case of refusal of any man to do faithfully and well the duty assigned to him, or to obey the orders given to him by the foreman in driving, cutting-out and other work, we hereby authorize the foreman of any round-up to prohibit any man so offending from any further participation in said work.

3. That it is the sense of this Association, and it is hereby made binding upon all of its members, that any man who shall hereafter turn out any female neat cattle upon the range shall place with them at the time of turning loose not less than eight (8) serviceable bulls for every one hundred (100) head of female cattle, which are one year old and upward at the time, and that on or before July 1st, of each year thereafter, every member shall supply the same proportion of bulls of the same usefulness and quality to all female cattle of the same age of which he may be the owner. Proved violation of the above rule shall be deemed a proper subject of complaint, the penalty to be decided by a majority of the Association present at a regular meeting.

4. That no member shall gather cattle on any range during the months between November 15th and the date of the general spring round-ups without informing the ranchmen in the neighborhood of his intention, and giving them a fair opportunity to examine cattle before they are driven from the range.

5. That all persons who are now members of the Consolidated Association be requested and directed within thirty (30) days after this date to forward to the Secretary and Treasurer of the Association, a statement of the number of cattle, horses, mules and asses, owned or controlled by such person or his firm or company, with all brands and marks on such stock. Also the names of the individuals comprising his firm, and the names of all the officers, if a company, and the postoffice address of each.
